Historical and Cultural Resources

- ▶ State and federal regulations pertaining to the protection of historic properties, referred to as the Section 106 process, require the NJDOT to take into account the effect of proposed projects upon historic resources listed in, or eligible for listing in, the National Register of Historic Places. If you would like more detailed information on the Section 106 process, please reference the Advisory Council on Historic Preservation's *A Citizen's Guide* to Section 106 Review, available online at:
- ▶ https://www.achp.gov/sites/default/files/documents/2021-01/CitizenGuide2021_011321.pdf
- ▶ NJDOT is required to solicit public input to assist in carrying out the Section 106 process. Historic preservation organizations, historical societies, and similar groups, or individuals with information about cultural resources (archaeological or architectural) in the project area are encouraged to attend the Public Information Center or comments may be submitted to:
